Written by Reed Nielsen

You look surprised

You didn't think you'd see me

Kicking up my heels

Painting up this toen

When you said goodbye

I learned a couple new dances

I cast a couple of glances

I'm on a big roll now

- Chorus -

Except for Monday, which was never good anyway

Tuesday, I get a little side ways

Wednesday, I feel better just for spite

Thursday and Friday take too long

Before I know it, Saturday's gone

But it's Sunday now and you can bet that I'm all right

Dont' get me wrong

It wasn't always this easy

Getting over you

Got a little rough on me

Didn't take too long

'Til I got it together

And everyday I thank my lucky stars you set me free

Repeat Chorus

Repeat Chorus
