Touche,touche
You're right,there's nothing I can say
I am a wishy-washy girl
But it's a wishy-washy world
Chorus:
Go away.....no,wait a minute
I want out,then I want in it
I'm all confused but I admit it
Go away.....no,wait a minute
C'est la vie la vie
That's what you get when you get me
I have the right to change my mind
At least a couple hundred times
(Chorus)
I need some help
I'm not quite myself
Lately I'm a nervous wreck
My whole world has changed
The reason I'm strange
Is I love you and
Baby that scares me to death
(Chorus)
I'm all confused but I admit it
Go away.....no,wait a minute
