Ooh
In a perfect world
Angry words are never spoken
In a perfect world
No one's heart is ever broken
True love isn't hard to find
It always lasts until the end of time
You would still be mine
In a perfect world
I'd be all you ever needed
And if leaving crossed you mind
At least I would have seen it
You wouldn't be so far away
There wouldn't be so many things to say
I know you would've stayed
In a perfect world
It's all so clear to me
I close my eyes and see
The way that it could be
In a perfect world
My arms are still around you
Forever isn't out of reach
No one cries and no one leaves
You would still love me
If we could only be
In a perfect world
