The more I needed, the less you gave,
I guess I thought that it worked that way,
You never would listen
And now that I'm leavin',
You're not believin' a word I say.

Chorus:

Oh, if I think I won't go, watch me,
Whoah, watch me prove you wrong today,
You don't even know you lost me,
You think I'd always stay,
Oh, just watch me walk away.
Don't tell me that it can't be done,
That the world is colder without someone,
You might get lonely, it might get crazy,
But this time, baby, I'm good as gone.

Repeat Chorus:

Cab on the street, hand on the door,
Bag at my feet, need I say more?
Whoah, watch me.
You don't even know you lost me,
You think I'd always stay,

Ooo, just watch me walk away,

Just watch me walk away.

Repeat Chorus
