[Big Sound]

Com'on, paper, paper, paper
I'm startin' now but I have to go
I return with a new song tomorrow
Girl come to me, I'll leave you crazy
I'll take your stress
Shout now and say who is the best, yes! (yeah!)
I'll take you to a world tour
This is just a flirt
Let's break down some gang, let's work!

[Big Sound & (MC Quita)]

(You-Go-Down-All-Big-Sound!)
Com'on!
(You-Go-Down-All-Big-Sound!)
You Down, down! You down, down!
(Today-'N-Forever-You-Go-Blast!)
Come to my party, you'll tie
Free women, Oh my God!

[Big Sound & (MC Quita)]

(No one is going to overshadow)
You know my name? Want to be in my gang?
Want to be my girlfriend?
I'm so good! Haha
I still have business in the hood
Now I walk with a 22 's
We're on tour, we're spendin' on Adidas shoes
Come into my world
I'll show you many things girl
A sunset in Jamaica or Brazil
A check for 500 Mil
Take my hand now
And go to the big-house of the Big Sound

[Big Sound & (MC Quita)]

(You-Go-Down-All-Big-Sound!)
Com'on!
(You-Go-Down-All-Big-Sound!)
You Down, down! You down, down!

[Big Sound & (MC Quita)]

(Big Sound, as you are now?)
I'm flying in a BMW
This diamond is for you
Girl, I'll take you to paradise
I want you always by my side
The sky is no longer the limit
Scream, shake and don't stop dancin'
Fat Boys were the best
Notorious was the Rap best
[Big, Big, Big]
He was tired of talkin'
I was tired of walkin'
Around'n listen to so many shit
Come in my fantasy
Lift the ass of the couch and with telepathy
Put the sound of B.I.G.
Want to dance with me?

[Big Sound & (MC Quita)]
(You-Go-Down-All-Big-Sound!)
Com'on!
(You-Go-Down-All-Big-Sound!)
You Down, down! You down, down!
(You-Go-Down-All-Big-Sound!)
You Down, down! You down, down!
