I fuckin' hate how you never hear me out
A bitter taste when you always call me out
I'm on my knees, bleeding as I shout out loud
Can't feel your love cuz it's floating on a cloud

Hush, baby, hush, little lady
Oh why, oh why can you feel me?
Hush, baby, hush, little lady
Oh why, oh why can you feel me?

So where has our lovin' gone these past 2 years?
This shit's got sour and you left us both in tears
I still wear your heart around my sleeve
Your attitude makes me wanna get up and breathe

Hush, baby, hush, little lady
Oh why, oh why can you feel me?
Hush, baby, hush, little lady
Oh why, oh why can you feel me?

Oh
Whoa oh oh
Whoa oh oh
Whoa oh oh oh

Hush, baby, hush, little lady
Oh why, oh why can you feel me?
Hush, baby, hush, little lady
Oh why, oh why can you feel me?

Hush, baby, hush, little lady
Oh why, oh why can you feel me?
Hush, baby, hush, little lady
Oh why, oh why can you feel me?
