Verse1:

I set my trap
She makes a move.
Hey sexy cat,
The trick's on you!
I'm playing dumb to get with you, to get with you.

Verse2:

You're stacy's mom,
And stiffler's too.
I'm in my prime,
And so are you.
I'm laying down to get with you.

Chorus:

Strut it lady, like you mean it.

Show the kittens how it's done.
Claw me baby, like you need it.
Show me how a cougar hunts.

Bridge:

You're in command,
I let you win.
Lions and tigers and bears, oh my!
I'm catching cougars left and right!

Chorus:

Ooooooooooooooooooooooooooooo

Chorus:
