One more time
Just one more moment and I'll be fine
I'll fall free
Deeper into uncertainty

Until I hear your voice
Just want to hear your sound
That's what I'm living for

I'll sing
Into your eyes
That's where I'd like to fall
Into your eyes
I know you'll catch my fall
You took my mind
I'd give it noone else
It feels so fine
So keep your eyes open

One more time
I heard your voice, I saw the sign
Your eyes don't lie
They promise joy, I'd like to find

Until I hear your voice
Just want to hear your sound
That's what I'm living for

I'll sing
Into your eyes
That's where I'd like to fall
Into your eyes
I know you'll catch my fall
You took my mind
I'd give it noone else
It feels so fine
So keep your eyes open

...So keep your eyes open wide - one more time
