Sooner or later you let the curtain down  
Sooner or later you leave the one you found  
Sooner or later you need an empty space  
And in the end your love is slowly fallin down

Sooner or later you search for someone new  
Sooner or later you miss the "love so true"  
Sooner or later you seek until you find  
And then you keep the big wheels turning once again

Love - sometimes it pulls you down  
But when it comes around - love keeps you goin'

Sooner or later she sees it in your eyes  
Sooner or later you gonna live your lies  
Sooner or later she'll get what's on your mind  
And then you gotta leave another love behind

Sooner or later it may come back to you  
Sooner or later you lose your "love so true"  
Sooner or later you'll be alone  
Until your heart will get you searchin' once again

Love - sometimes it pulls you down  
But when it comes around - love keeps you goin
