I won't apologise for the mess that you're in  
I'm gonna hide my eyes from your crimson sin  
No sacrifice can make atonement again  
The blood is on your hands: You should be ashamed

You won't forget my name!  
You won't forget my name!

So now I say goodbye and this to you, I pledge:  
Take your final step and plummet over the edge  
You listened to the snake! I won't take any blame  
Now here's my breath in your face,  
I leave you up in flames.

You won't forget my name!  
You won't forget my name!

Behold! The angel's singing sweet  
For righteousness; a cry!  
He sings for you so tenderly:  
"Apple of my eye!"

Stay right where you are;  
Don't be foolish to try any courageous moves  
You won't be saving lives  
I didn't do all I've done for you to put me to shame  
Now in your final hour my legacy remains

You won't forget my name!  
You won't forget my name!

Behold! The angel's singing sweet  
For righteousness; a cry!  
He sings for you so tenderly:  
"Apple of my eye!"
