I want your touch
Want it too much
Give it to me, oh,
Can't you see
You got the keys
To my release
Please don't you go
Don't go and leave me alone, no.

Because I want your skin
To let me in
Let me undo you like a deed
I've gotta feed on your every move
Get to feel
Get to feel
Get to feel you

Until you're satisfied
Only way to do it
Really nothing to it, no, no.
Until you're satisfied
All about the rhythm
Knowing you've been given the time
Ah ah, come a little closer
Ah ah, come a

You might say I'm just one more man
Without a sense of romance
These fancy follies just take me over
But think it over.
Tell me
Why would you judge
What kind of love
You and I might steal,
Read the signs
Your hand's in mine
Now I've got you for real
In my pocket
So I'm locking us up

Until you're satisfied

Only way to do it
Really nothing to it, no, no.
Until you're satisfied
All about the rhythm
Knowing you've been given the time

You might say I'm just one more man
Without a sense of romance
These fancy follies just take me over
But think it over.
Now I've got you
I don't want to let you go, no,
I know, I've got to let it show
Just how much I love you so,
And now I'm gonna let you know

Until you're satisfied
Only way to do it
Really nothing to it, no, no.
Until you're satisfied
All about the rhythm
Knowing you've been given the time
Ah ah, come a little closer
Ah ah, come a little closer
Ah ah, come a little closer
Ah ah, come a little closer
Ah ah, come a little closer
Ah ah, come a little closer
Ah ah, come a little closer

Come a..., come a...
Ah ah, come a little closer
Ah ah, come a little closer
