Oohh

Go, go where your heart is
Taste this offering
Feel the joy it brings

Feel, drink of disgorge
Feel the energy
Between you and me

Oh, nothing that you can say or do
Can change the way I feel for you
There's only one thing that I need
That's for us to dream

Gimme, gimme more
Gimme love
Gimme plenty
I can make you curve
Feel with me if you let me

Gimme, gimme off
Gimme love
Gimme plenty
I'm gonna take you
Break you down and save you

Gimme, gimme love
Gimme strength
Gimme plenty
The soap breaking down
Feeling cold, feeling empty

Gimme, gimme more
Gimme love
Gimme plenty
I can't take you
I can't take it

Go, go where you know truth
Take your time, it's sweet

Soon a new wincey

Say, say what you have to
I am listening
To every word you bring

Nothing that you could say or do
Can change the way I feel for you
There's only one thing that I need
That's for us to dream

Gimme, gimme more
Gimme love
Gimme plenty
I can make you curve
Feel with me if you let me

Gimme, gimme off
Gimme love
Gimme plenty
I'm gonna take you
Break you down and save you

Gimme, gimme love
Gimme strength
Gimme plenty
The soap breaking down
Feeling cold, feeling empty

Gimme, gimme more
Gimme love
Gimme plenty
I can't take you
I can't take it

more, more, more, more....

Gimme, gimme more
Gimme love
Gimme plenty
I can make you curve
Feel with me if you let me

Gimme, gimme off
Gimme love
Gimme plenty
I'm gonna take you
Break you down and save you

Gimme, gimme love
Gimme strength

Gimme plenty
The soap breaking down
Feeling cold, feeling empty

Gimme, gimme off
Gimme love
Gimme plenty
I'mma take you
Break you down and save you
