In this hotel
Television's on
Sound is down
And everybody's gone

Just you and me
And I wish I could be
Far away
In another scene
(If only)

Starry-eyed kid
Look at what you did
You drank too much
And you never could resist

Give a weak smile
Lying on the tile
And I count up all the times I've

Died
I'm losing the sparkle in my
Eye
I just wanna say

Stay with me
I will bring it back to you
Bring me everything
Get me on track
I will bring it back to you

Coming up fast
Faster than I can
It is work
In need of a plan

If I move slow
The moon'll let me go
I know, yeah, I know

Try
Try as I might, I cannot

Find
Someone to say

Stay with me
I will bring it back to you
Bring me everything
Get me on track
I will bring it back to you

I'm done the run through
I will bring it back
To you

I
Feel like I'm running out of time
Won't someone say?

Stay with me
I will bring it back to you
Bring me everything
Get me on track
I will bring it back to

An American girl
Looking at the world
The way that I do
You're just like me
Stay with me
I will bring it back to you
