Ruthlessness and greed have definitely priority  
for the advantage of a commanding, oppressing  
minority!

they're not concerned if children and women are  
raped and killed  
none of them sees friends dying, in their hands the  
guns.  
for them people starve, in dead, bony bodies flew red  
blood.  
Red blood of guiltiness on the exploiting hands of the  
responsible ones.

Hey, you "innocent" one, your turn in this  
"master&slave;-game"  
The murders of animals for consumption, it is the  
same.

These defenceless creatures, these forgotten souls,  
Perished, tortured in masses and for some  
dickhead's fun shot  
exterminated, killed for luxury, absolutely  
misunderstood,  
cages and slaughterhouses are covered with red  
blood.

So no chance to deny your responsibility,  
Your guilt is much more complex, than it seems...

Your so fucking stupid pride of a nation, you were born  
into  
- a nation of blind puppets, you'd kill and die for!  
Why aren't you able to respect other's dignity  
Instead ignorance support mass murders, your  
narrowness is also fucking poor!

Fuck, it's not that hard to see though you're taught  
to ignore  
And accept these hierarchies and injustice, yeah man,  
but be sure:

Selfish they take power and the right to judge

of every living being, but they're nothing more  
Than inhuman hypocrites and if THEY will be shot,  
just their warm, RED BLOOD will cover the office floor.
