HALLELUJA!
WE reached our destiny
We that's the human race
made cold war history
and everybody wants to embrace...

But WAIT!
we're waitin' for catastrophe.
so WELCOME
to the 21st century!

Oh ! Poor!
Oh Poor America!

They came in through the front door
they smashed into your face
and broke your teeth
HUMILIATION!
the people want an act of war -for democracy!
you talk of a crusade to restore -peace! GOD BLESS!!!

So my friends, look back
at your foreign policy !
fighting against your enemy
has been worth a cheque

now somebody sends it back
return to sender
back to big spender
par avion ! pas de pardon!
c'est la vie, mon ami!

Well, call it defense, SAM
but where's your enemy?
is it a bunch of fools
or is it the islam ?

Call it Talibanistan.

now your bombing a certain nation
but its no national conflict
it's just

THE CLASH OF CIVILISATIONS

Welcome to the art of war
got no fronts and borders
it's BRANDNEW and never seen before:!
WELCOME TO THE NEW WORLD ORDER
