"Angel Eyes"

Last night I was taking a walk along the river
When I saw him together with a young boy
And the look that he gave him made me shiver
'Cause he always used to look at me that way
And I thought maybe I should walk right up to him and
say:
"It's a game he likes to play"

Look into his angel eyes
One look and you're hypnotized
He'll take your heart and you must pay the price
Look into his angel eyes
You'll think you're in paradise
And one day you'll find out he wears a disguise
Don't look too deep into those angel eyes

Sometimes when I'm lonely
I sit and think about him
And it hurts to remember all the good times
When I thought I could never live without him
And I wonder does it have to be the same
When I see him, will it bring back the pain?
How can I forget that name?

Look into his angel eyes
One look and you're hypnotized
He'll take your heart and you must pay the price
Look into his angel eyes
You'll think you're in paradise
And one day you'll find out he wears a disguise
Don't look too deep into those angel eyes
