(John Grant/Jeff Linsenmaier/Andrew Monley/Chris Pearson)

Emptiness, emptiness, how do I search for you?  
Empty everything and strip the walls, make them  
colorless, invisible.  
Stop all thought, I am not losing now.  
I can't feel anything, I can't see you.

Try and make me go away tonight, try and make  
yourself pretend.  
I wanted it, I needed it for the longest time.  
Try and make yourself pretend you can't go on tonight.  
I wanted it, I needed it for the longest time.

(Guitar solo)

I don't want to do this anymore, I don't want to hear  
your voice.  
I wanted it, I needed it for the longest time.  
You don't even have to want, you don't even have to  
care.  
I wanted it, I needed it for the longest time.
