Where the boys are  
Someone waits for me  
A smilin' face, a warm embrace  
Two arms to hold me tenderly  
Where the boys are  
My true love will be  
He's walkin' down some street in town  
And I know he's lookin' there for me

In the crowd of a million people I'll find my valentine  
And then I'll climb to the highest steeple and tell the  
world he's mine

Till he holds me I wait impatiently  
Where the boys are, where the boys are  
Where the boys are, someone waits for me

Till he holds me I wait impatiently  
Where the boys are, where the boys are  
Where the boys are, someone waits for me
