Dock of the bay

//1st vs.//

Sitting in the morning sun.  
I'll be sitting ti the evening comes.  
Watchin the ships roll in.  
And then I watch'em roll away again.

//CHORUS//

Sittin on the dock of the bay, watchin the tide, roll away.

//2nd vs.//

I left my home in Georgia.  
I was headed for the Frisco bay.  
I've got nothing to live for,  
looks like nothings gonna come my way.

//CHORUS//

//BRIDGE//

wELL.. Looks like, nothing's gonna change.  
Everything, remains the same.  
I can't do what ten people tell me to do,  
so I guess I'll remain the same...

Sittin here restin my bones,  
and this lonliness wont leave me alone!  
It's two thousand miles, I roamed,  
just to make this dock my home!!

//CHORUS//
