Forever

//Chorus//

I wanna Love you,
forever and ever,
Forever and ever, until my end!
Because I need you,
and you need me too.
Our precious love, will get us on through

//1st vs.//

If we should ever,
fall apart,
I know,
it'd break my heart!

Because I love you,
with all of my soul,
and all of my heart,
you and you alone.

//2nd vs.//

Hey love,
aint easy!
Sometimes,
things change!
But I know,
after all is said and done,
my lovin for you will still remain.
