ILL

//1st vs.//

Dont u look @ me, I cant stand the way you stare!
I cant stand, the look in your eyes..
I can see when I aint lookin, I know that it's there!
So who do u think u are, dressed up all wild like that?
Well if I were your daddy i'de, make it hard for you to
sit on that!!

//CHORUS//

OH...U make me ILL...
dadada..do do ILL...
dadada..do do baby, baby
nanana....ILL...ILL!!

//2nd vs.//

Dont u speak to me, I dont care what u gotta say.
I cant stand, the sound of your voice,
remindin me how i was played!
Like a toy darlin, u played me,
tuggin up on my heart strings,
well listen to the chords, my heart plays now,
yes listen to what I sing....

//CHORUS//

//3rd vs.//

Dont u touch me,
dont u dare lay a finger upon me!
Keep ur distance baby, my blood is boilin,
We dont wanna have a tragedy
I prefer u now just as a memory
just one of my regrets..(yeah)
I'll leave you with, a melody
and I'll tell u best, how I can tell you...

//CHORUS//

//Harmonica solo//

//CHORUS/VAMP//
