Raggede'

//Intro// (Hill-billy chant)

Well Im raggede', see & Im round here.

Wasnt invited, but Im show'll round here.

Somebody out there out somewhere is a bad-ass like me,

It's gon' take a bad, ba..ba..baad,

motha monkey to make me leave.

//Chorus//

Well Im raggede', but Im round here.

Wasnt invited, but Im show'll down here.

Somebody out there somewhere is a bad-ass like me,

It's gon' take a bad..ba..ba.baad,

motha monkey to make me leave.

//1st vs.//

So I wasnt what you expected,

didnt mean to, go get you offended

The way you two did me you know it aint right

dont worry about right now

Karma gon' get you in time.

You think that it's comin, so you're lookin over your shoulder.

You loungin @ the beach, while your world is gettin colder.

Keep ya paws off my boy, he's growin, he's gettin older.

& he's gonna agree with daddy!!

//CHORUS//

//2nd vs.//

Ohh..what the hell were u thinkin,

watchin my child, while your daughter was out drinkin?

Out there dancin for those dollars,

she just needed a dime,

so you help destroy the family,

but the strippin is just fine.

I stuck it out, for my son until the end.

Pain that ya'll dealt me I kept it all within

Grittin my teeth, tried the new beginning.  
but the weight is too great,  
so I give up & give in.  
Had us lie bout your affairs with anotha man.  
Then Im accused, hung out to dry & abandoned.  
U know what? There u go! Why?  
Dont you know you gon' get cancer from these things  
that you do!

//CHORUS//
