When Im gone

//1st vs.//

When Im gone, would you bring me, flowers for my
birthday?

Would you write or call?

Would you give me 10 min's of your time,
in the spring or fall?

//CHORUS//

What am I to you?

What are you to me?

Are we all just sand, slippin thru an hour glass, that's
keepin time?

//2nd vs.//

Did you bring your mom floweres for her birthday?

Could you write or call?

Is your daddy, someone that you still can hold?

Just a memory long gone, and grown old?

//CHORUS//

//Guitar solo//

//3rd vs.//

When Im gone, would you bring me, flowers for my
birthday?

Would you write or call?

Is your daddy, someone that you still can hold?

Just a memory long gone, and growin old?

//CHORUS//

//Harmonica solo//
