

Effie "Lonely"

Visit "[Lonely](#)" on MotoLyrics.com

Iâ€™m lonely show me love, love, love (love)
Iâ€™m lonely show me love, love, love (love)
Iâ€™m lonely
Love
Iâ€™m lonely
Love, love

Iâ€™ve been lonely crazy
I been stripping lately
So Iâ€™m gonna hit the club
And try to find love
Thought I gave up on dating
But it may be worth a try
Hands up if you that guy
Show me attention, take my digits
Call me after night

Cause now I see
That he never really belonged to me
So I gotta go find my own
King to share the throne
Right now Iâ€™m lonely (love, love, love)
And now I see
That he never really belonged to me
So I gotta go find my own
King to share the throne
Right now Iâ€™m lonely (Hey)

Iâ€™m lonely, lonely, lonely, lonely, lonely
Lonely, lonely, lonely, lonely, lonely, lonely,
Lonely, lonely, lonely, lonely, lonely,

Canâ€™t read my, canâ€™t read my-my po- poker face
Been at the bar since I- I came to this place
Usually when Iâ€™m here I just want to dance
The tableâ€™s turned so now I need some romance

Are you gonna be the one to take me home
Donâ€™t think that you bout to bone
Put in a movie pop- pop corn
Donâ€™t talk dirty like Hip- Hop songs
OMG Iâ€™m his ringtone

OMG Iâ€™m his ringtone
I donâ€™t let groupies take me home
I.J.K (I Just know) Iâ€™m killing this club

Cause now I see
That he never really belonged to me
So I gotta go find my own
King to share the thrown
Right now Iâ€™m lonely (love, love, love)
And now I see
That he never really belonged to me
So I gotta go find my own
King to share the thrown
Right now Iâ€™m lonely (Hey)

Iâ€™m lonely show me love, love, love
Iâ€™m lonely show me love, love, love
Iâ€™m lonely, love
Iâ€™m lonely show me love
Show me love,
Show me love
I need i-i-i need love
Show me love, show me love
Show me love just show me love

Now I see that he never really belonged to me
Gotta find my own
King to share a thrown
Right now Iâ€™m lonely
Now I see
Never really belonged to me
Gotta find my own
King to share the thrown
Right now Iâ€™m lonely
(Hey)
(Hey)
(Hey)
