Iâ€™m not listening Iâ€™m over it, sending it over and out
It isnâ€™t alright to reside in this town anymore
And what for?

Call all my good friends, tell them itâ€™s come down to
this
I always said that theyâ€™d know where to find me
When all else fails and Iâ€™m running on ocean time

This cityâ€™s colder than it used to be
Sometimes I wonder can anyone else see
My heartâ€™s not broken but it seems to be ignoring me

Iâ€™m not listening Iâ€™m over it, sending it over and out
It isnâ€™t alright to reside in this town anymore
And what for?

This cityâ€™s colder than it used to be
Sometimes I wonder can anyone else see
My heartâ€™s not broken but it seems to be ignoring me

Midnight is where the day begins, get up and get over
it
The darker the berry the sweeter is the wine

This cityâ€™s colder than it used to be
Sometimes I wonder can anyone else see
My heartâ€™s not broken this time but it seems
Iâ€™ve just spent to long in this place I believe
Iâ€™ll start again today in a new city
