Momma go a gone gone
Daddy took and run
Sister made a lot of noise
Boy he drank rum
Momma go a gone gone
Daddy took and run

Momma go a gone gone
Sister took and run
Daddy hit the big time
Boy he drinking cheap wine
Momma go a gone gone
Sister took and run
And she had some fun, hey, hey!

Momma go a gone gone
Sister had a son
Boy he fight for Uncle Sam
Daddy drank a wee dram
Momma go a gone gone
Boy he took and run
And he had some fun, hey, hey!

Momma go a gone gone
Daddy took and run
Momma go a gone gone
Sister took and run
Momma go a gone gone
Boy he took and run
And he had some fun.
