So gracefully, you found me.  
You brought me back.  
I turn my life unto you,  
'Cause I couldn't save myself.  
So gracefully, you found me.  
You brought me back.  
I turn my life unto you,  
'Cause I couldn't save myself.  
Find a way to make it happen.  
You know how it ends.  
I know how it ends, yeah you know how it ends.

Between, between you and me,  
I'm a broken man with broken dreams.  
Look what i've become,  
Where did I, where did I go wrong?  
Between, between you and me,  
I'm a broken man with broken dreams.  
Look what i've become,  
Where did I, where did I go wrong?

You'll take these broken pieces and you'll put them  
back together.  
Has my time down here been such a waste?  
Why do I even bother?  
If I don't relay the message I'll be filled with much  
regret.  
If I die today where will I go?  
Those words I won't forget.  
Cause I know you're in control.  
You know how it ends,  
yeah you know how it ends.
