Let me tell you all about the things that i'm not sure  
about

i dont know what she was looking for  
her peculiar ways and honest lies  
its hard to tell with those blue eyes  
i just think that i deserved more

why are you waiting when there's nothing left to lose?  
why are you waiting when there's nothing left to prove?

let me tell you all about the girl  
i learned to live without  
hopeless and routine fro the start  
her desperate moves and thoughtless mind showed  
me that she never tried  
impure motives never got us far

why are you waiting when there's nothing left to lose?  
why are you waiting when there's nothing left to prove?

Why are you waiting? x7

You never loved me.  
You never loved me  
so why should i love you?  
you never loved me  
you never loved me  
so why should i love you?

why should i love you?  
why should i love you?  
why should i love you?  
why should i love you?
