"Forever And A Day"

You'll wait forever and a day for me
You'll hate forever's just too far away.
We love like a bad dream
And you'll never save me.

Sometimes life isn't easy at all.
Sometimes life isn't easy at all.

Times are trying.
People only want to feel good.
Indulging in anything is easy competence, yeah.

I know I'm not invincible, ohh.
Maybe I'll know myself soon.

Sometimes life isn't easy, my love.
Sometimes life isn't easy, my love.
Sometimes life isn't easy, my love.

Sometimes (sometimes) life isn't easy, my love.

Sometimes life isn't easy, my love.
Sometimes life isn't easy, my love.
