I'll try to find my inspiration in this beautiful day.
Since there is nothing else worth watching on my t.v.
Everyday I wake up but there's somewhere else that I
would rather be.
Do you know what I mean?
Do you know what I mean?
Cause

You should lie down,
You could cry now.
Everyday, everyday
Another place
Entertain, entertain
Remain a slave to every stage.

Leading parades of idiocy
Who's coming with me?
Kicking and screaming.

Not having trouble finding just where you fit in, no
Never was an issue to begin with.
Everyday I wake up but there's somewhere else that I
would rather be.
You don't know what I mean
You don't know what I mean
Cause

You should lie down,
You could cry now.
Everyday, everyday
Another place
Entertain, entertain
Remain a slave to every stage.

Leading parades of idiocy
Who's coming with me?
Kicking or screaming.

I know what I am
