At the pinnacle of happiness
Thought we really wanted this.
It's hard to measure your success
With dollars and cents.
It's nice to have you back where you belong.
Too much time has passed since last that you we're
gone.

And after I began to think
I took a walk down to the creek.
If I built a house for us to live
Could you rest your weary head?
Time isn't standing still for anyone.
For all the days that pass you never wait too long.
I'm not so sure this is the end.
I think that we will always be friends.

At the bottom, sit
In our emptiness.
We never wanted this, we never wanted this.
At the bottom, sit
In my emptiness.
I never wanted this, I never wanted this.
At the bottom, sit
In your emptiness
You never wanted this, you never wanted this.
At the bottom, sit
In your emptiness
You never wanted this, you never wanted this.

At the bottom, sit
In your emptiness
You never wanted this, you never wanted this.
At the bottom, sit
In my emptiness.
I never wanted this, I never wanted this.
At the top we'll sit
In our happiness
We really wanted this, we really wanted this.
At the top we'll sit
In our happiness
We really wanted this, we really wanted this.
