Welcome to our show
Please let me introduce us
Sea sick from tricks of humanity
She's got the new key to existing

And if you'd like to talk
This is killing your only son
For what it's worth
Who swims in a sea of simplicity anyway?

Stop chasing me because I'm changing
Stop acting like you are so helpless
Stop chasing me because I'm changing
You can't be afraid of ambition

I never thanked you because
I thought that my ship was sinking
I'd like to tell you that I've
Got a lot of love to give

I feel it in my bones
The entire earth is shaking
We'll dance, we'll dance the night away
Throw the chairs in the fireplace
Toss out reaction
Toss out the truth
Everything they do
Slowly killing you
Toss out reaction
Toss out the truth
Everything they do
Slowly killing you

Stop chasing me because I'm changing
Stop acting like you are so helpless
Stop chasing me because I'm changing
You can't be afraid of ambition

We are living in graveyards
We are trampled underfoot
Give me sunrise and a view
Give me dollar bills and cheap thrills

Please don't pretend I never said "you knew what this was"
