

Glorious Unseen "Hear Our Prayers"

Visit "[Hear Our Prayers](#)" on MotoLyrics.com

Hear our cries, Lord, hear our prayers.
Take our burdens, calm our fears.
God, will you make us a people that love you?

Please take our offerings that we set before You.
God, hear our prayers that we're lifting up to You.
God, see our tears that we're struggling to see through.
God, hear our prayers to You.

In our weakness, You remain.
When we're broken, You sustain.

God, hear our prayers, we lift them to You.
God, hear our prayers, Lord, make our hearts true.
God, hear our prayers as we lift them to heaven.

We're praying the angels receive and embrace them.
The hopes of the empty, the cries of the broken.

We're reaching our hands out.
Oh Lord, will You hold them?
