He is jealous for me  
He loves like a hurricane  
I am a tree,  
bending beneath the weight of his wind and mercy  
When all of a sudden,  
I am unaware of these afflictions - eclipsed by glory.  
I realize just how beautiful you are,  
and how great your affections are for me

Oh, how he loves us so  
Oh, how he loves us  
How he loves us so

We are his portion;  
and he is our prize -  
drawn to redemption by the grace in his eyes  
If grace is an ocean - we're all sinking  
Then heaven meets earth like a sloppy wet kiss  
My heart turns violently inside of my chest  
I don't have time to maintain these regrets  
when I think about the way he loves us  
Oh, how he loves us.
