If
If you want
If you want to be the one that he's thinking of
You
You just need
You just need to understand
Ah, just turn around
Just turn around
Whoa A-oh-a-oh

You are the only thing
The only thing that he has left
The only thing at all
The only thing at all

In the later hours when the packed
Bars start spitting cowards
They're picking scars
Cell phones clenched along
Along the sidewalk
They usually stay out of our way
The bridge and tunnel just seems to escape near our
home
Near our home

[Repeat]

There is no one else around
We've been waiting for countless hours
Oh, you never, you never measure up
c-c-c-cuz, baby, it will all soon come to an end
c-c-c-cuz, baby, it will all soon come to an end

In the later hours when the packed
Bars start spitting cowards
They're picking scars
Cell phones clenched along
Along the sidewalk
They usually stay out of our way
The bridge and tunnel just seems to escape near our
home
Near our home

You are the only thing
The only thing that he has left
The only thing at all
