Walking down the streets late at night  
Night is crawling and something's here  
I've seen him in my dreams  
Oh no, jack the ripper

Every now and then my mother calls,  
Running around disturbing growls  
I've seen him, late at night Oh no..

Now my mother's dead and buried,  
We found her bones everywhere  
I've seen him late at night  
Oh no Jack The Ripper

Walking down the streets late at night  
Night is crawling and something's here  
I've seen him in my dreams  
Oh no, jack the ripper
