I never dreamed that i met you in summer.
And there would be warm love to remember.
And you give yourself away to me.
And I'm happy when you're beside me.

Chorus Repeat 2 x)

I don't know what to say
I don't know what to do
All i know is that I'm inlove with you.

I never dreamed that we'll be together

And our love will be forever..
There's not a day that passes by & i dont wonder why
Just take my hand don't say goodbye..

Repeat chorus:

I don't know what to say
I cant control to love you
All i know is that i'm inlove with you
