I am alone, surrounded by  
the colour blue  
Inside a poem, the only  
words I ever knew  
Washing my hands, of the  
many years untold  
For now I am banned, my  
future it's to unfold  
Would you take my  
candlelight  
Would you take my  
candlelight  
Would you take  
my candlelight  
Away from me  
I am blind,  
My eyes are covered from the outside  
For I have lied,  
Now all there is left for me to do is hide  
Take in a deep breath,  
I lift my head for I am a new man and I  
arise from my bed  
This is all there is, I can see that now  
I have to be careful with it, now it's been found  
So fragile, but powerful, this is the light  
of my destiny stay with me, through every night  
SONG@: Rake It In  
I am here again  
tied up in your torture frame  
Printed paper, guilty to blame  
The story stays the same  
Dry me out  
Run me down  
Burn me up  
And rake it in, you rake it in  
Rake it in, you rake it in, yeah  
A slave upon your plate  
I am your dreams, yeah your life and your bait  
Selfish schemes, I proceed, you await  
You my indefinite hate  
Do you know what my chopping blocks for?  
Do you know what my hanging braids for?

Do you know what my chamber maids for?  
Can you guess what I, what I have in store for you?
