You, you come to me  
So perfectly yeah  
So perfectly made  
And yeah all that you are  
and yeah all that you said  
You're so exquisitely bred  
Mm yeah what more can I say  
So, yeah, yeah  
I guess it's all right  
Yeah, no  
I guess it's alright whatever  
Yeah no  
I guess it's alright  
Yeah no  
I guess it's alright whatever  
And I, I hate ya for  
for letting me fall for you  
just like a fool  
And now I'm all psyching out  
Mm 'cos all we're about  
is this ugly phone and it's all I have  
to look forward to, yeah  
Dreaming, of you lyin' in my bed  
just like how we were just days before  
Oh just leave me, just get out of my head  
I can't take this torture anymore  
You're so far away, yeah  
Why are you so far away  
from me
