I'm gunna cast a spell on you. You're gunna do what I want you to. Mix up here in my little bowl, say a few words and you lose control. I'm a hex girl and I'm gunna put a spell on you. I'm gunna put a spell on you. I'm a hex girl and i'm gunna put a spell on you. Put a spell on you.

You'll feel the fog as I cloud your mind. You'll get dizzy when I make a sign. You'll wake up in the dead of night, missing me when I'm out of sight. I'm a hex girl and I'm gunna put a spell on you. I'm gunna put a spell on you. I'm a hex girl and I'm gunna put a spell on you. Oh yea.

With this little cobweb potion, you'll fall into dark devotion. If you ever lose affection. I can change the whole direction. I'm a hex girl and I'm gunna put a spell on you. I'm gunna put a spell on you. I'm a hex girl and I'm gunna put a spell on you. We'er gunna put spell out on you!
