You to me as sweet as roses in the morning

And you to me as soft as summer rain at dawn

In love we share that something rare -

The sidewalks in the street -

The concrete and the clay beneath my feet begins to
crumble

But love will never die because we'll see the mountains
tumble

Before we say good-bye my love and I will be in love
eternally

That's the way
that's the way it's meant to be.

All around I see the purple shades of evening

And on the ground the shadows fall

And once again you're in my arms so tenderly -
The sidewalks in the street - ...

The sidewalks in the street -

The concrete and the clay beneath my feet begins to
crumble

But love will never die because well see the mountains
tumble

Before we say good-bye
beneath my feet begins to crumble

...

That's the way
that's the way it's meant to be. (5x)
