People are puppets held together with string  
There's a beautiful sadness that runs through him  
As he asked me to pray to the God he doesn't believe  
in

Time and again boys are raised to be men  
Impatient they start, fearful at the end  
But here was a man mourning tomorrow  
He drank, but finally drowned in his sorrow

He could not break surface tension  
He looked in the wrong place for redemption  
Don't look at me with those eyes  
I tried to unheave the ties  
Turn back the time that drew him  
But he couldn't be saved  
A sadness runs through him  
Through him

Time and again boys are raised to be men  
Impatient they start, fearful at the end  
But here was a man mourning tomorrow  
Who drank, but finally drowned in his sorrow

He could not break surface tension  
He looked in the wrong place for redemption  
Don't look at me with those eyes  
I tried to unheave the ties  
Turn back the time that drew him  
But he couldn't be saved  
A sadness runs through him  
Through him

Don't look  
Don't look  
Don't don't

Don't look at me with those eyes  
I tried to unheave the ties  
Turn back the time that drew him  
But he couldn't be saved  
No he couldn't be saved

A sadness runs through him  
A sadness runs through him  
A sadness runs through him  
A sadness runs through him  
A sadness runs through him
