Excuse me while I turn up the volume,
I lost sight of your eyes as someone walked by in the
ballroom.

Don't worry girl,
I know just what you need,
a little persuasion just might help you see.
Don't say a word,
just follow my lead,
don't think too much.
Don't forget to breath,
so grab my hand and bring your friends and ill show
you what I mean.

I want to see you jump on the dance floor,
I want to see you jump on the dance floor,
I want to see whatcha got so common let's roll
oh woah roll oh oh oh oh oh woah woah

Please excuse for being impatient,
I only wanted to make your acquaintance,
we're building too many way and not enough bridges.
Because I only want me heart where yours is.
Please repeat your name,
let mee hear your voice,
thought I could walk away ,
now I have no choice.
You got me stuck what luck,
so good time babyyyy.
Never felt this wayyy.

I want to see you jump on the dance floor,
(now everybody move on the count of four! 1, 2, 1 ,2 ,3
4)
I want to see whatcha got so common let's roll
oh woah roll oh oh oh oh woah woah.
I want to see you jump on the dance floor, I want to see
you jump on the dance flooorrrrrrrrrrrrr.

I want to see you jump on the dance floor,
now everybody move on the count of four! 1, 2 1 ,2 ,3
4)
I want to see whatcha got so common let's roll

oh woah roll oh oh oh oh woah woah.
I want to see you jump on the dance floor;
I want to see you jump on the dance flooorrrrrrrrrrrrr.
