Well it seems that girl's so pretty  
Let some cowboy steal her heart away  
With those blue jeans and that white smile  
He'll kiss her cheek and say "I love you baby"

And it's a country love song  
Play it again  
It'll just go on  
Cuz it's something  
It's one of a kind  
Like Tim and Faith  
It's real this time

Well he'll sing to her  
Give her butterflies  
As she lookd at those blue eyes  
And they ride horses  
By the lake at night  
You jump, I jump  
Together we'll fly

And it's a country love song  
Play it again  
It'll just go on  
Cuz it's something  
It's one of a kind  
Like Tim and Faith  
It's real this time

And they'll sit on the front porch swing  
And he'll kiss her cheek and say  
Eighty-five won't change my mind  
I'll still play that song of her life

Cuz it's a country love song  
Play it again  
It'll just go on  
Cuz it's something  
It's one of a kind  
Like Tim and Faith  
It's real this time

Oh it's real this time  
Country Love Song  
It's a Country Love Song
