I found your ring in the drawer
Where your flask of whiskey used to be
Cuz you don't need me no more
I lay down on your side of the bed
It's been cold for so long i light a cigarette
Up in smoke, Up in smoke
Our love is up in smoke

Baby keep your eye on the target
That's what you said
He's just an animal
Go ahead Shoot him dead
Didn't your mama teach you how to treat a women right
Boy this just ain't your lucky night
And i bet you regret that you
Taught me how to shoot a gun

Wait for the sound of your truck
It's 2a.m. I should be sleeping
But tonight I'm waiting up
Waiting up, Waiting up
Toinght I'm waiting up
Lord Jesus please forgive me

Baby keep your eye on the target
That's what you said
He's just an animal
Go ahead Shoot him dead
Didn't your mama teach you how to treat a women right
Boy this just ain't your lucky night
And i bet you regret that you
Taught me how to shoot a gun

On the wall hangs a picture of us
Head to toe in camo
I shot my first buck

Baby keep your eye on the target
That's what you said
He's just an animal
Go ahead Shoot him dead
Didn't your mama teach you how to treat a women right

Boy this just ain't your lucky night
And i bet you regret that you
Taught me how to shoot a gun
