Sometimes we sneak out at night
Running in the moonlight
Holding hands in the green grass
He whispers "Let's not go back"

And my daddy he might not agree
Bout what it is he means to me
And his mama says i ain't good enough
We turn our heads and walk away
We don't care what they say
They don't know anything anyway
About this kinda stuff

My name is his new tattoo
His T-shirts are the floor in my room
My favorite song is the one he sings
Brad Paisley's She's Everything

And my daddy he might not agree
Bout what it is he means to me
And his mama says i ain't good enough
We turn our heads and walk away
We don't care what they say
They don't know anything anyway
About this kinda stuff

We're driving in his old ford truck
Praying we might have some luck
Cuz i threw the only map she had
But i whispered "Let's not go Back"

Cuz my daddy he might not agree
Bout what it is he means to me
And his mama says i ain't good enough
We turn our heads and walk away
We don't care what they say
They don't know anything anyway
About this kinda stuff

Yeah what do they know anyway
