I don't care what she says about me  
She won't change my mind about me  
Sticks and stones may break her bones  
But they never do break mine  
Cuz I know Who I Am  
Yeah I know Who I Am

I'm silly and i'm sweet  
And stubborn as can be  
I'm loud and I'm proud  
Sometimes I'm with the wrong crowd  
I laugh and I fight  
A little bits just right  
I pray to God at night  
That's just Who I Am

My mama still worries about me  
My boyfriend he can't live without me  
Win or lose gets me confused  
Cuz we all learn something new  
But I know Who I am  
Yeah I know Who I Am

I stumble and I fall  
Sometimes I lose it all  
I cry and I laugh  
I'll push with all have  
I spend too much money  
Tell jokes that aren't funny  
I pray to God at night  
That's just Who I Am

I know ten years from now  
I'll have my fears and doubts

Cuz I sleeptalk and I snore  
I never lock the door  
I drink and I curse  
And I'll do a whole lot worse  
I count the stars at night  
I still chase fireflies  
I pray to God at night

Yeah I pray to Gof every night  
But that's just Who I Am

Who I Am  
Who I Am
