I'm no big fan of fortune tellers
I stay away from Crystal Balls
Lines on my hand tell me one thing sure
This girl ain't done no living at all
Everyday I walk the same old steps
Pass the same Texaco sign
Now ther's a feeling down deep in my bones
And I think I'm gonna listen this time

I got a cross around my neck
Cuz I love Jesus
Ripped a pair of blue jeans
There's a devil on my left and an angel on my right
whispering to me
Don't look down, Spread your wings, jump off
Yeah don't look down, spread your wings, jump off

Got a boyfriend hanging on my sleeve
He says that he needs me
Well there ain't no ring on my right hand
And I'm tired of waiting on him
I'm taking the next train right out of here
Find myself a brand new name
Hand in my cards cash in my money
Cuz I'm tired of playing his games

I got a cross around my neck
Cuz I love Jesus
Ripped a pair of blue jeans
There's a devil on my left and an angel on my right
whispering to me
Don't look down, Spread your wings, jump off
Yeah don't look down, spread your wings, jump off

What happened to that girl I used to be
The one who looked at danger in the eye
Now life delt me a wildcard
And I think I'm gonna take it this tine

I got a cross around my neck
Cuz I love Jesus
Ripped a pair of blue jeans

There's a devil on my left and an angel on my right
whispering to me
Don't look down, Spread your wings, jump off
Yeah don't look down, spread your wings, jump off
Don't look down, Spread your wings, jump off
Don't look down, Spread your wings, jump off
Don't look down, Spread your wings, jump off
Yeah don't look down, spread your wings, jump off

Life delt me a wildcard
And I think I'm gonna take it this time
