All I've got is what I'll give and even more. We walk together, oh. Of all decisions that you've made, this is the one that will last forever. I'm tellin you there's so much more.

Sing it out loud, Decleration. Sing it out loud, Unashamed. Sing it loud, Decleration. Sing it out loud, Unashamed.

As they say, time will fade before your eyes. It's not forever, oh. So, use your time and use it well while you still can. It doesn't last forever. I'm tellin you there's so much more.

Sing it out loud, Decleration. Sing it out loud, Unashamed. Sing it loud, Decleration. Sing it out loud, Unashamed.

Now, let it be known all over the world. Now, let it be known all over the world. I'm tellin you there's so much more. So much more to love. I'm tellin you there's more!
