“Southern Comfort”

Second Chances Never Fail EP

Hey, we’ve got this city in the palm of our hands
Let’s give it up for the weekend again
The things we do are better left unsaid
Hey, we’ll drink our problems away

This night is ours for the taking
Girl I’m not fakin’ you know that
You’ve got nothing else to lose

(Whoa whoa) sing it scream it louder
(Whoa whoa), no isn’t the answer
(Whoa whoa), sing it scream it louder
(Whoa whoa), cause we’ve got nothing left to lose

So we’ve got nothing left to lose
We’ll get down and break the rules
We’ll put up a fight
We’ll take on the night
We’ll drink just to feel alive
There’s no way, they can stop us now

This night is ours for the taking
Girl I’m not fakin’ you know that
You’ve got nothing left to lose
So sing it

(Whoa whoa) sing it scream it louder
(Whoa whoa), no isn’t the answer
(Whoa whoa), sing it scream it louder
(Whoa whoa), cause we’ve got nothing left to lose

Hey well tear these walls to the ground
There’s no way they can stop us now
Well sing this song out loud, well sing this song out loud
(repeat)

(Whoa whoa) sing it scream it louder
(Whoa whoa), no isn’t the answer

(Whoa whoa), sing it scream it louder
(Whoa whoa), cause we've got nothing left to lose

All songs written and composed by Jon Reyes, Michael
Maughan, Sean Hoang & Garrett Hudson
